IN CINCINNATI

16 YEARS

DR. C. L. DOLLE

Why Treat Treatment That Is Doing You No Good, When a Few Days' Use of Dr. Dolle's Will Show You How Easy It Is to Cure These Diseases When the Proper Treatment Is Applied?

Have you treated for months and years, and been disappointed until you think that you cannot be cured? You, no doubt, all this time have been treated by inexperienced doctors who have neither sufficient knowledge nor experience to know how to cure you.

These are the diseases of which I have cured so many, justly giving me the reputation for curing of which I am so proud.

Blood Diseases, Skin Diseases

I will give you treatment that will in a few days cure all rash, spots and every skin eruption. No salve, ointment, or any other system to be used. I will give you the system to be used. I will give you the system to be used. I will give you the system to be used.

Varicose veins, causing aching or pain in groin or back, Nervousness, Weakness, Loss of Vitality, Lack of Ambition.

My one treatment cures in a few days all these and what you will have to be cured right. Only one visit is required. I do no cutting, and you suffer no pain or trouble. All signs disappear in a few days.

Nervous Troubles, Lost Vitality

My combined treatment for these troubles is common among those who have become weak and worn out, who have caused it by folly, dissipation and excesses, is remarkably good. No one believes how quickly it benefits until they have taken it.

It overcomes weakness, nervousness, pain in back, loss of energy, and all the troubles that the treatment I have found so effective in treating such diseases.

Kidney and Bladder Troubles

are scientifically cured by me. My methods immediately benefit you, and the majority of cases I cure come from physicians and specialists who failed.

Piles, Fistulas—I can cure you in a few days. I can give you new life, new hope, and can restore you back to health and happiness. I know that every man will pay for it. I have written a book that ought to be in the hands of every suffering man in this country. I will send you a copy, free, if you will write me at once for the book. I will give you the book. I will give you the book. I will give you the book.

Acute Diseases—strong drug cures every symptom and cures in a few days. It is scientific—that's the only sure way to be cured so it will not come back.

You can take my treatment without a cent and pay me after I cure you. I know that every man will pay for it. I have written a book that ought to be in the hands of every suffering man in this country. I will send you a copy, free, if you will write me at once for the book. I will give you the book. I will give you the book. I will give you the book.
